DECEMBER 2016

---

2016 has been another incredible year for Standing Voice with so many extraordinary achievements, lives transformed and memories made. A number of our highlights include: saving thousands of lives through our eye-expanding Skin Cancer Prevention Programme; delivering vision care and education to hundreds more vulnerable students and adults through tailored clinical events; formally opening our recently constructed Umoja Training Centre on Ukerewe Island; pushing our advocacy in exciting and creative directions with the help of scientists and artists from across Africa, in a project funded by the Wellcome Trust; and lastly, co-facilitating pan-African advocacy events with the United Nations and World Bank.
